Teachers Day Celebration
5th September 2023

The Aladi Aruna College of Liberal Arts and Sciences observed Teacher's Day as a means of acknowledging and expressing gratitude to educators for their key role in shaping the lives of students.

The event started with the rendition of Tamizh Thai Vazhthu.

Mathan Kumar, I year B.Com student delivered the inaugural address, extending a warm welcome to all the teachers while expressing gratitude for their dedicated efforts and also provided a concise introduction regarding the rationale behind commemorating Teacher's Day.

Dr. V. Muthamilan, Principal delivered a special address, expounding on the significance of educators and their instrumental role in molding society. Drawing from his personal experiences with his mentor, he encouraged students to deeply appreciate the tireless dedication of teachers and to value their enduring efforts wholeheartedly.

Students organized a variety of entertaining activities for teachers, who wholeheartedly engaged in the festivities. This included spirited participation in games such as musical chairs, balloon-blowing, mimicry, singing, and other enjoyable events, all while being showered with exuberant cheers and applause from the students.

Evangeline Easther, I year B.Sc Psychology student delivered a vote of thanks, eloquently conveying heartfelt appreciation to the teachers for their active involvement and to the students for efficiently orchestrating the event within a short timeframe.

The event concluded with the principal and teachers cutting a cake, thoughtfully provided by the students as a token of their affection.
